NO WHERE TO GO BUT UP! CHRISTUS POINT OF LIGHT CLINIC HAS EXPANDED AND RELOCATED.

CHRISTUS Point of Light Clinic has moved to a new location and expanded its services to meet the growing healthcare needs of the Galveston County area.

WHAT DOES EXPANSION MEAN FOR CHRISTUS POINT OF LIGHT?

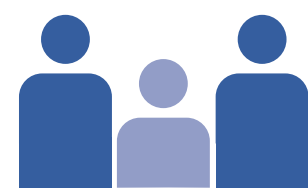

- Opportunities to reach and care for more in need
- Ability to go above and beyond in offering quality care and support
- A source for healthcare, mental care and social services of Galveston County and surrounding areas

For over **25 years**, the clinic has been providing quality, affordable healthcare to thousands of men, women and children, regardless of their ability to pay. With this relocation and expansion, CHRISTUS Point of Light has gained more opportunities to serve and help those who view healthcare as a luxury.

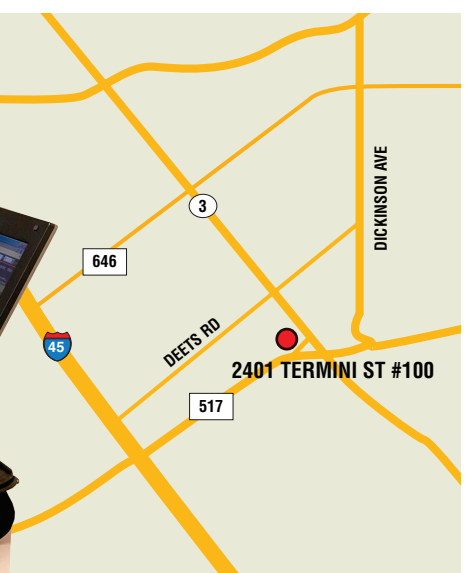

CHRISTUS Point of Light Clinic celebrated its new expansion and relocation with a blessing and dedication ceremony performed by Archbishop Emeritus Joseph Fiorenza.

Thank you to our generous donors who made this possible for CHRISTUS Point of Light Clinic!

SAN JOSÉ MEDICAL MISSION TRIP

facing the world
with a smile

It's that time of year again. On May 7th, CHRISTUS Foundation Operation San José Mission trip will journey to Chihuahua, Mexico to provide free surgical repair of cranial and facial birth defects.

The process of recruiting, identifying and preparing for the trip takes a total of five months. Once there, the team will perform over **40 surgeries that week**. That's about nine a day!

Tremendous thanks to the Operation San José team and supporters for truly making a difference. Because of their ongoing efforts and dedication, many children have improved their physical condition and now look forward to a brighter, healthier, happier future.

CHRISTUS SCHOOL CLINICS

healthy schools
= healthy kids

CHRISTUS Foundation for HealthCare's School Clinics perform and provide outstanding quality care. More than 16,000 times a year, CHRISTUS School Clinics are called upon to care for children.

A dependable team

Our medical assistants, counselors, nurses and doctors are a welcomed and comforting security for student's parents and have become a daily necessity in the health of children at CHRISTUS School Clinics.

CHRISTUS HEALTHY LIVING MOBILE CLINICS

healthy people, healthy
communities, healthy world

In February, CHRISTUS Healthy Living Mobile Clinic hosted a Health Fair at University of St. Thomas to provide college students with free health screenings. Many students gained valuable information about maintaining good health as well as results for their blood pressure, glucose and cholesterol testing.

Like all CHRISTUS Foundation programs, our Healthy Living Mobile Clinics aim to provide direct access for any and all that might be excluded from care, including college students. Because of our Mobile Clinics, these under-served and hard-to-reach college students were offered quality care.
